Revised: Tuesday, February 16, 2021

Change Attorney Address in CM/ECF

To change an address on a CM/ECF account an attorney must:

- First, comply with [Bankruptcy Local Rule 2002-2](#),
- Have an **Upgraded** PACER account that is **linked** to the attorney's CM/ECF account at the U.S. Bankruptcy Court for the Northern District of California,[\[1\]](#) **and**
- Then enter the address changes into the attorney's upgraded PACER account.

Compliance With Bankruptcy Local Rule 2002-2

An address change on a CM/ECF account will **not** be made absent a certification of compliance with BLR 2002-2.

Compliance with Bankruptcy Local Rule 2002-2 includes and requires filing and serving a [Notice of Change of Address](#) in all **open** bankruptcy cases and adversary proceedings in which the attorney appears. A [Notice of Change of Address](#) should not be filed in a closed case or adversary proceeding, or in a case or proceeding in which the requesting attorney's status is shown in CM/ECF as terminated.

Filing a certificate of service for a [Notice of Change of Address](#) is not required. Instead, when using the ECF events "Notice of Change of Address" or "Notice of Change of Address (Multi)" to file a completed [Notice of Change of Address](#) form, an attorney must check this box to certify compliance with BLR 2002-2, including all applicable filing and service requirements.

Information on how to print or save a list of open cases in which an attorney appears, and how to file a [Notice of Change of Address](#) in one or in multiple cases and adversary proceedings is provided below.
